DEATH CLAIMS COUNTY'S OLDEST NATIVE SON

Antone Miramontes, San Mateo county's oldest native son, and a well-known resident of Redwood City, passed away rather suddenly at the home of his daughter, Mrs. C. S. Coe in Palo Alto Tuesday evening. He had been suffering from kidney trouble for some time and had been stopping at the home of his daughter in Palo Alto.

Mr. Miramontes was born on the old Donohoe ranch in Portola 71 years ago. His wife, who was a member of the Greer family, was born in the historic adobe house at Woodside. She passed away about eighteen years ago in this city.

Mr. Miramontes is survived by three daughters and two sons—Mrs. C. S. Coe and Mrs. R. E. Nunan of Palo Alto, Mrs. C. R. Williams of San Francisco, C. F. and Charles Miramontes.

The funeral was held Thursday morning from the home of his daughter, Mrs. R. E. Nunan, in Palo Alto. Services were held at the Catholic church and the interment was in Holy Cross cemetery, Menlo Park.

Mr. and Mrs. Alex Hanson of San Francisco were Easter visitors at the home of the former's mother, on Stambaugh street.

Mr. and Mrs. Joseph H. Nash have for visitors this week, Mrs. J. F. Weinke of Moss Beach, mother of Mrs. Nash, and Mr. and Mrs. P. J. Dempsey of Farallone.

COUNTY FATHERS HOLD SPECIAL MEETING

A special called meeting of the board of supervisors was held Monday, April 24th, at 10 a. m., there being present Jos. M. Francis, presiding; Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

The special meeting was called for the purpose of passing an ordinance adopting the settlement between the County of San Mateo, the City of San Bruno and the Spring Valley Water Company, for the removal of the latter's flumes along San Mateo avenue in the City of San Bruno; and for the further purpose of considering and adopting an ordinance regulating traffic on the mountain roads of the county; also to adopt the necessary resolution toward carrying out an act to provide for the locating, surveying and maintaining a highway from Pescadero in to the Big Basin.

District Attorney Swart presented and read an agreement betwee the city of San Bruno, the County of San Mateo and the Spring Valley Water Company, whereby the latter agrees to remove the overground flume along San Mateo avenue in the Town of San Bruno in consideration that the county and city recognize the company's right below the surface for the construction and maintenance of a pipe line.

Attorney Geo. C. Ross appeared before the board as the representative of Assemblyman Henry Ward Brown and read the resolution in the matter of the Big Basin Road. The resolution was adopted on motion of Thompson, seconded by Brown, and the clerk was instructed not to forward a certified copy of the resolution until the district attorney had heard from the State Engineer relative to the point of commencement of the construction of the above road.

An ordinance authorizing the execution of the above agreement was adopted on motion of Casey, seconded by Brown. The ordinance including the above agreement, will be printed in next week's issue of this paper.

District Attorney Swart next read the ordinance governing the hauling of heavy vehicles over the mountain roads of the county.

The ordinance as drawn up by the district attorney, provides that no vehicle in excess of five tons, including the load, shall pass over the mountain roads; no trailers shall be allowed on the mountain roads and no vehicle in excess of three tons, including the load, shall pass over said roads at a rate of speed in excess of ten miles per hour. In special cases, permits may be granted in writing by the supervisor of the district through which the load is to be moved, said permit to be approved by the district attorney. A permit may also be granted by three members of the board, also by the entire board.

After considerable discussion it was decided on motion of MacBain, seconded by Brown, to continue the matter until the regular meeting next Monday, to give the members of the board sufficient time to consider what mountain roads shall be included in the above ordinance.

The board adjourned at 11:20 a. m., to meet regularly next Monday, May 1st at 10 a. m.

Cummings, J. M. Eva, Z. T. Thorning, James Hedge, Lila Kirkpatrick, George A. Merrill, Caswell Swett, G. H. Rice, Sarah Wentworth, E. B. Dreyfus, Arthur Porter, R. P. McLaughlin, J. P. G. AND E. BASEBALL LEAGUE OPENS HERE MAY 13

In order to afford a good opportunity for the employees of the various districts to become better acquainted, the Pacific Gas and Electric Company has formed a baseball league. The league will be composed of teams from the following districts: Sacramento, San Jose, San Francisco, Oakland, Martinez and Redwood.

The first game is to be played in Redwood City on Saturday, May 13, when the team representing the Redwood district of the company will cross bats with the San Jose district team. John A. Britton, vice president and general manager of the company will be the umpire. The lineup for the Redwood district nine will be as follows: R. L. Dunshee, pitcher; A. A. Crockett, catcher; H. Knopf, first base; L. E. Sampson, second base; E. Bertelson, third base; G. V. Haines, shortstop; A. L. Wille, right field; P. E. Long, center field; R. R. Smith Jr., left field.

J. H. Bailey of Main street has disposed of his entire stock of W. P. Fuller's ready mixed paints to R. C. Holmquist, the local hardware man. Mr. Bailey will hereafter devote his entire attention to his paint contracting business.

DURHAM DOES NOT CLAIM TO Be OLDEST VOTER IN CO.

The Democrat apparently started something when it printed a story a week or so ago telling about Thomas G. Durham, a pioneer of this city, having voted for John Fremont for president in 1856 and not having missed an election in San Mateo county since that time.

Last week Dr. Ira R. Goodspeed of San Mateo announced that he had Durham's record beaten, as he had voted for Scott in 1852, and this week Charles Green, also of San Mateo, goes the aged doctor one better by claiming that he voted in Placer county in 1850, thus making him the oldest voter in the county.

The two San Mateo men evidently misread the article in the Democrat about Mr. Durham. The latter does not lay any claim to being the oldest voter in the county. What was stated was that the Redwood pioneer voted for Fremont in 1856 and since then has not missed an election in the county. Incidently, however, in voting at the presidential election in 1856, Mr. Durham can rightfully claim the distinction of being one of the first men to vote in the county, as that was the year San Mateo county was formed, being previous to that time a part of San Francisco county.

TRANSIT CO. ADVERTISES FORESTERS' BIG WEEK

Through the efforts of Frank L. Eksward, secretary of the San Mateo County Development Association, the Peninsula Rapid Transit Company will display large streamers on all their busses, announcing the Foresters' Convention and Floral Festival in this city next week.

Mr. Eksward also arranged to have the Redwood celebration advertised in the Weekly Bulletin issued by the Tourist association and which is placed in over 300 hotels around the bay section.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

START CHANGE NOW

Do you believe that a change is necessary from the present Democratic uncertain and unsatisfactory management of our foreign affairs?

Do you desire relief from the present depressed and demoralized condition of business throughout the country due to Democratic mis-rule and that the protective tariff be restored on our lumber, citrus fruits, eggs, dairy products, cereals, and the many other splendid products and industries of California?

Do you wish a Republican administration at Washington in order to alleviate existing conditions and to bring about prosperity and to guard this country against the industrial invasion imminent at the close of the existing European war?

Do you disapprove of the disfranchisement of Republican voters four years ago and also of the present attempt to again disrupt the Republican party in California through an iniquitous and dishonest primary law, designed to permit colonization and forced through the legislature by the State administration directly contrary to the popular vote of last October?

Do you believe that orderly and regular party government should be preserved and perpetuated in this State in perference to an irresponsible personal goverfnment of one man?

Do you desire the election of the 26 representative Republicans, no one of whom has any favor to ask of the State administration, who were selected by a convention of 800 legal representatives of the Republican party composed of the members of the Republican State Central Committee and the various Republican County Committees throughout the State, and who pledged to a Republican platform will do their full duty toward all Republicans and insure harmony and success?

Do you desire that the 26 regular Republican delegates should represent you in the Nation's great council of Republicans at Chicago and thus insure the united and harmonious selection of a forward-looking candidate for president, acceptable to both Republicans and Progressives, and who will lead us to a glorious victory over Democratic mis-government in November.

If you as loyal citizens believe in and desire the accomplishment of these things and that California should come into her own and be placed in line with the platform and policies of the National Republican Party, **Vote For the Regular Republican Candidates-Bordwell to Chapman** for delegates to the Republican national convention, primary election, Tuesday, May 2, 1916.

ADMINISTRATION EXCUSED

The Fresno Republican, Progressive organ, and whose publisher, Mr. Chester H. Rowell, is one of the staunchest defenders of Governor Johnson, in its issue of Sunday attempts a lengthy technical defense of the State administration for its disfranchisement of the Taft Republicans in 1912. It states that the Progressives had nothing to do with depriving Republicans of the privilege of voting for the Republican candidate for President, and that Governor Johnson, instead of having anything to do with the affair, was "horrified" when he heard of it. The fact remains, however, that the Republican electors were disfranchised, and by the Progressives thru "raiding" the Republican convention and putting a ticket of Progressive delegates in the column on the ballot instead for the Republican ticket and rightfully belonging to the Republican party. The Republicans were left the impossible alternative of getting on the ballot by petitions as an independent, not as a Republican, ticket. The people know this. They need no explanation. They remember the boast of the Progressive campaigners. And if Governor Johnson was ever horrified at an act of political depredation, or ever lamented and outrage against those who disagreed with his own political views, we are glad to hear of it, even at this late date, and to record it to his credit.—Oakland Tribune.

MAKE CHATAUQUA A SUCCESS

Thirty citizens of this city have obligated themselves to defray the cost of bringing the Chatauqua to this city. They must sell six hundred tickets at $2.50 each to meet the requirements of their contract. It is a compliment to Redwood, this coming of the Chatauqua, and the public spiritedness of the guarantors should win the hearty approval of the community. The way to show your approval is to buy a ticket. In addition to helping your city you will be giving to yourself a week of educational pleasure that will prove of inestimable value. The Chatauqua people say it is a big undertaking for a city of Redwood's size, but we feel that we are equal to the task. If we make Redwood a good Chatauqua town, and no doubt we will, we shall be giving the community a big boost.

GOOD PUBLICITY

The peninsula district is coming in for its share of good publicity of late through the work of the Peninsula Industrial Commission of San Francisco of which E. T. McGettigan, secretary of the Redwood City Chamber of Commerce, is manager. In the Examiner of last Thursday were several columns of very readable matter telling of the merits of San Mateo county. Under the heading "Building Boom Hits Redwood" the 150,000 readers of the Examiner were told of Redwood's recent growth and of the building operations that promise to make our city one of the most up-to-date communities of the bay district. That we are forging ahead is evident of all sides. That the world should be told of it is good business.

Every man is a part of his town. The town embraces the fortunes, and in some measures at least takes on the character of the man. So loyalty to one's town is no more than loyalty to self; and this loyalty is in the line of all well shaped human nature. Therefore it is right to say that the man who does not stand up for his town is in some way dwarfed. There is something wrong about him. His fellows will pass this judgment upon him, and the chances are that while he may add to the discomfort of others he will not escape making himself unhappy.

A MAN prominent in the political circles of California and a statesman alike of wide experience in national affairs has said, that although Chief Justice Hughes has a thorough understanding of the English language, yet at no time has the eminent jurist made a statement that could be clearly taken as a refusal to accept the Republican nomination for the presidency. It is therefore argued that Mr. Hughes will very likely lend a willing ear when the proper time comes.

The Presidential Primary election in California will be held Tuesday, May 2nd. Republicans do your duty. Vote the Regular Republican Bordwell-to-Chapman ticket. Your apathy may again result in the control of the party falling into the hands of those who betrayed it four years ago.

TO THE FORESTERS OF AMERICA

We invite you to our town because we know you will be delighted with its people, delighted with its laws, delighted with its school privileges and delighted with the moral element that exists and is largely sustained by the people.

It is rumored that quite a number of the twenty-six names as candidates for the Chicago convention by the regular Republican party of this state have expressed themselves as favoring Hughes. It is even intimated that Roosevelt is not an unlikely second choice with some of them.

None of the regular Republican candidates for delegates to the National convention has any special favor to ask at the hands of Governor Johnson and his clique who are trying to wreck the Republican party.

PESCADERO BREEZES

James McCormick was a Redwood City visitor last Monday.

Mrs. H. L. Good has returned after a short visit in Oakland.

Antone George went to the city on Thursday.

Frank Pinkham was a visitor in San Francisco and Oakland last week.

Mr. Eaton is busily engaged this week building a new ditch to carry the water for the irrigation of the Pocket ranch.

Elmo Jacks has returned from Santa Cruz and will work on the new road between here and San Gregorio.

A new camp for the road builders has been established on the Mattei ranch by Mr. Pratchner.

Mrs. M. Dias has appealed to the superior court from the decision recently rendered in the justice court in the case of Olcrest vs. Dias, et al.

The Harvey stage is making daily trips from Santa Cruz and the people are very much pleased with the extra service.

J. J. Machado is to be complimented upon the up-to-date manner in which he is fixing his resort. He intends to carry nothing but the best goods and promises courteous treatment to all.

Now that the supervisors have agreed to complete the road into the Big Basin after the state has completed the survey it looks as if we would soon see work started. This should be quite an addition to our attractions.

We are informed that a company will soon be formed for the building and carrying on of an up-to-date hotel in Pescadero. This is one thing which our town greatly needs and we hope the project will be carried through at an early date. The main drawback to a town is poor hotel accommodations. We are told that the proposition is to try and buy or lease the John McCormick hotel property and put up a new building. If that cannot be done they can have the other corner.

Carl Coburn has been elected a delegate to the Grand Lodge of Odd Fellows and Mrs. Coburn a delegate to the Grand Assembly. Both Grand Lodges meet this year at San Diego.

COAST SIDE ITEMS

The skeleton of a man was found in the sands of Halfmoon Bay, near Mussel Rock, last Sunday by Coroner W. A. Brooke and a party of searchers. Nothing was found in the man's clothing to establish his identity. The bones were first observed by an Ocean Shore Railway conductor and the search by Coroner Brooke followed.

M. B. Wiggins and wife of Montara are moving to Miramar, where they have leased the Demascus property and will open a high class cafe, under the name of Wiggins Beach Cafe. The building has been remodeled, electric piano installed and other improvements made. The place will be opened on Sunday, April 29. Fish dinners are to be their specialty. Mr. Wiggins was in San Francisco yesterday preparing for the occasion.

Mrs. Joe Rue of Halfmoon Bay, who is receiving medical treatment in San Francisco will soon be able to return to her coastside home in perfect health.

The gasoline launch stolen from the State Fish and Game Commission recently was driven to shore at Salada Beach Thursday afternoon of last week by the heavy winds. As the boat was approaching the beach it was turned over by the sea and the person or persons occupying it lost their lives. One person was seen aboard.

County Wins Condemnation Suit

Judge Buck on Thursday rendered a decision in favor of San Mateo County in the condemnation suit of the County of San Mateo against the N. J. Brittan heirs condemning a strip of land for a right-of-way over their property at San Carlos for the proposed highway from Beresford to Redwood City. The suit is a friendly one as there is no money consideration involved. The State Highway Commission and the county agreed to carry out certain conditions required by the Brittan heirs such as building culverts and fences. Gilbert D. Ferrell prosecuted the case on behalf of the county.

Hose company No. 1 and hose company No. 4 are ready to settle the diamond supremacy tomorrow morning at 10 o'clock. Foley of company No. 4 has predicted a score similar to last Sunday's game. Captain Chas. Foley is counting on the past records of his team to bring home the bacon, which are as follows: R. Sheehy until recently has been pitching high class ball for the Alviso team. Chas. Foley is still receiving the fast and slow ones from the Beresford nine. H. Chatauqua Advance Men Address Redwood City People at Hotel Sequoia

The Redwood City Chataqua section was established yesterday at a meeting of citizens held at the Sequoia Hotel. Permanent organization is to be perfected at a meeting to be called in a few days when officers will be elected to direct the work of organizing the efforts to make the Chatauqua a great success. The meeting was addressed by J. C. Herbsman of Seattle, who travels in advance of the big educational show, and who proved one of the most capable talkers ever heard in Redwood. Giving a vivid description of the great good accomplished by the Chatauqua circuit, with frequent reference to the many features of the program is so varied that it will appeal which stirred within the hearts of his hearers not only a lively interest in the Chatauqua movement but keen appreciation of what the Chatauqua means to a community the size of Redwood.

The coming of the Chatauqua means a week of pleasure for its citizens, men, women and children, for the program is so varied that it will provide something to suit all tastes. There will be grand opera, lectures by noted talkers, high-class concert and vaudeville numbers, music by the famous marine band of New York, educational features for children of all ages, all enhanced by a tone entirely removed from the theatrical. There will be three performances a day, one in the morning, one in the afternoon and another in the evening. The affair will be extensively organized and it is confidently expected by the thirty citizens who have guaranteed the expense that it will bring hundreds of visitors to this city. The Chatauqua will open on May 29 and continue for one week.

Mr. Irving in his letter to Mr. Marcus says: "We regard the securing of such an important convention by Redwood City Court a great achievement, and desire to extend to Court Madrone our best wishes for fullest success. LAST SERVICE HELD OVER EX-SHERIFF JOS. H. MANSFIELD

Members of Grand Army and Relief Corps Attend in Body

The many friends of the late J. H. Mansfield, sheriff of this county for several terms, crowded his home on Monday forenoon to pay the last respect to the one they had loved so well. The impressive funeral services were conducted by Rev. C. H. Stevens of the Congregational church and Rev. M. B. Young of the M. E. church. The members of the Grand Army of the Republic and the Relief Corps marched in a body to Union Cemetery where the interment took place. Nearly all the county officers were present at the funeral obsequies. The pall bearers were selected from the immediate family of the deceased. Mr. Mansfield suffered a breakdown after the strenous campaign of 1914 and never fully recovered. Last week he suffered an attack of pneumonia and succumbed to this malady on Saturday last. He was a native of Baltimore, aged 66 years.

On Monday the superior court adjourned out of respect to his memory and Judge Buck appointed J. J. Bullock, James T. O'Keefe and Franklin Swart to draft appropriate resolutions They will be ready today and will be read in open court and spread in full upon the minutes. Mr. Mansfield was held in high esteem by all who knew him. He was a good citizen, husband and father and a considerate neighbor.

Mr. Mansfield married Miss Alice Martin, daughter of a prominent farmer of Lobitos. Four children were born—Albert, present city attorney, Harland, who is now a machinist, and two daughters, Luella and Margele, deceased.

NAVAL LADS CARRY OFF BANNER IN SCORE OF 15 TO 1

Visitors Supreme in Hitting Which Soon Piles Up Their Score

If the gunners of the U. S. Navy can hit a target as well as they hit the offerings of Bob Fox last Sunday there is no question but they are the world's best gunners.

After the bombardment the score stood 15 to 1 in favor of the Naval Training Station team. The visitors showed more class than any team that ever played here before. Fast fielding and hitting hard was their best bet. The Sperry's were helpless before the playing of the sailors. The visitors were accompanied by their band and a big crowd of rooters. They made a good impression on all.

Tomorrow the Sperrys will line up against the National Union team. The locals will then be considerably strengthened among the new men being a pitcher who Manager Griffin reports to be a star.

The locals play a good fielding game as evidenced by their triple play and several other fielding stunts last Sunday. The new men will strengthen the Sperrys considerably and a good game is on tap with the prospects for a victory for the locals at last.

Temperance Name of Brewer's Wife

The great register of San Mateo county reveals the peculiar fact that Temperance is the name of a brewer's wife at San Bruno. Gustav Hermann Kidrowski is the name of the brewer who registered as a Republican. On the line below his name appears: Temperance Kidrowski, housewife, Republican. Both are opposed to temperance. Hence, the name is misleading.

INDORSEMENT OF PHELAN DANIEL McSWEENY WINS

Appointment as Post Master of South City Almost Assured

The bitter contest for the South San Francisco postoffice that has been waged for some time past between Daniel McSweeney and E. E. Cunningham, the incumbent, has been practically settled. Word was received yesterday from Washington to the effect that the name of Daniel McSweeney would be sent in a few days by Senator Phelan to the President for the coveted appointment. The contest for this appointment has been the bitterest that has ever taken place in the county for any post office. Every political string was pulled by the constituents in the imbroglio. Mr. Cunningham held the office under the various administrations for the past twenty years. Mr. McSweeney, who is the brother of A. McSweeney, the popular tax collector, has been a consistent Democrat all his life and during the Wilson presidential campaign did some good work for the President in the county. He is a stalwart Democrat of the old school. He was strongly backed by the influential Bourbons of the county who are delighted to learn of his appointment. Mr. Cunningham also had influential men striving for his appointment. This makes the coveted plum all the more appreciated by the recipient. Mr. McSweeney is a capable and efficient gentleman who will give the people of South San Francisco a good service for four years and after that some good Republican will relieve him of his onorous duties.

Without doubt one of the happiest and prettiest weddings that has taken place in the Church of The Nativity for many years was that of Miss Catherine Lenehan and William H. Jory and a more winsome or pretty bride never went out from her girlhood home nearing the blessing of those who loved her. The ceremony took place on Wednesday afternoon at 1:30 o'clock but long before that time the church was crowded with friends of the popular young couple. The altar and the sanctuary were beautifully decorated in white carnations and lilies of the valley, the whole making a pretty effect. Promptly at the time set for the wedding the bridal party came down the main aisle while the wedding march was being played by Mrs. Birchfield. At the altar the bride was met by Mr. Jory and the best man, Benjamin Buckhout of Palo Alto, who came in from the sacristy. Miss Lenehan was "given away" by her half-brother, James Burke. She was attended by Miss Edith Carleton. The ceremony was performed by Father J. B. Hannigan assisted by Father Joseph Gleason of Palo Alto and four altar boys. During the impressive ceremony Mrs. W. P. Glynn sweetly sang, "My Heart at Thy Sweet Voice" from the opera Sampson and Dalila. From the church the young couple were driven to the home of Mrs B. Burke, mother of the bride, on the El Camino Real where the reception and wedding breakfast took place. About thirty guests were present. The parlors and dining room of the attractive home were prettily decorated with cut flowers and potted plants of all varieties. The two apartments were veritable bowers of beauty. Several addresses were made. Father Gleason spoke in praise of Mr. Jory in whose parish he has been since boyhood. Father Hannigan also spoke in a laudatory manner of the attractive young bride who was to become a resident of the College town. The bride never looked so attractive as on her wedding day. Her becoming white suit and picture hat and corsage of lilies of the valley set off an attractive figure and pretty face. The blushing bridesmaid looked charmingly in a white suit and picture hat. She carried a corsage of whiteorchids. The young couple left on the afternoon train for Southern California where the honeymoon is to be spent. Mr. and Mrs. Jory were both born in Menlo Park and have known each other since early childhood. She was one of the most popular girls of this town and is a singer of no little ability. Mr. Jory is employed by the Peninsula Railway Company. They will live in a neatly furnished bungalow on Everett avenue, Palo Alto.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonsful for 50 cents.

If everything was sold in as liberal and fair a manner as the below named druggists are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonsful, because 50c worth makes a whole pint (128 teaspoonsful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador of "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by Ryan's Drug Store, Redwood City.

WOOD BRIGGS TELLS STORIES

Kentuckian Gives Entertaining Program at Chautauqua.

There has been a good deal of discussion among the Chautauqua folks as to whether Wood Briggs is an entertaining lecturer or a lecturing entertainer. And Mr. Briggs is in doubt a little about it himself.

Mr. Briggs is a Kentuckian, and they say that every Kentuckian is an orator. Mr. Briggs is no exception to the rule. He tells his stories in the delightful Kentuckian way, and throughout his lectures he puts in little bits of philosophy of his own.

Briggs is coming to Chautauqua full of ginger and good fun to make a part of one of the biggest Chautauqua programs that have ever been brought to the west.

SYLVESTER LONG, MAN WHO SAYS THINGS

Prominent Lecturer One of Popular Speakers In America Today

A MAN'S success in this day and age depends a great deal on whether he can "come back." The man who can "come back" and make a bigger success than ever before is the man who forges ahead and in the end has won a way into the hearts of the people.

Sylvester A. Long is a man who can "come back." He is one of the lecturers on the Chautauqua, and he "puts it over" in a way that is unusual. He is so well liked over the country that he has lectured in some cities as many as fifteen times, and that is an unusual record. Mr. Long has lectured in Cincinnati, Portland, Kansas City, Ogden, Philadelphia and dozens of other large cities. Mr. Long will be in demand here after he has been heard at the Chautauqua, for Mr. Long says things and says them fast and well.

SHAKESPEAREAN PROGRAM

At a meeting of the Redwood City Woman's Club last Thursday afternoon, the members were entertained with a Shakespearean program at the conclusion of the business meeting. Mrs. A. L. Lesserman gave the letter scene from Macbeth in a very creditable manner and was very much enjoyed by the ladies. She encored this with, "The Bare Brown Hills of San Francisco Bay,,—four little stanzas that mean so much to one born in San Francisco. Mrs. Lila Kirkpatrick read an interestingly written sketch of Shakespeare's life, written by James Brophy, brother of Mrs. H. C. Finkler, who was unable to be present on account of illness.

WHAT'S THE USE!

"What's the use of anything? Nothing."—The Kicker's Motto, originated by A. Knocker.

What's the use of sunshine?
Only blinds your eyes.
What's the use of knowledge?
Only makes you wise.
What's the use of smiling?
Wrinkles up your face.
What's the use of flowers?
Clutter up the place.
What's the use of eating?
Nothing only taste.
What's the use of hustling?
Haste is only waste.
What's the use of music?
Just a lot of noise.
What's the use of loving?
Only for the joys.
What's the use of singing?
Only makes you glad.
What's the use of goodness
When the whole world's bad?
What's the use of health? You
Might as well be sick.
What's the use of doing
Anything but kick?
